

## PLEDGE OF CONDUCT

I have read and agree to follow the rules of conduct as a representative of my chapter and school at the Career Development Conference (CDC):

1. Smoking, drinking and drugs are not allowed.
2. Courtesy will be extended to other students, specialists, judges, board members and other guests. When greeting others and modeling professional behavior, GNAP (Greeting, Name, Affiliation & Purpose) should be used as much as possible.
3. Profane language is not allowed.
4. Business casual attire is the standard. NO HATS or SHORTS can be worn during the workshops, competitive events or the luncheon ceremony.
5. Students are expected to attend and participate in all scheduled conference sessions, workshops and functions.
6. Students are expected to be on time to all scheduled conference sessions, workshops and functions.
7. This is a chance to make a best "first impression" when meeting new friends, teachers, judges and prospective employers, so we ask that you please be on your best behavior at all times.
8. Students who encounter problems or have questions should seek the assistance of their career specialist, chaperone, or JMG staff person.
9. Conference decorations, posters, banners, will not be removed except at the direction of JMG staff.
